Kinder News

Kindergarten are enjoying a very productive term. With reading groups already working well and very popular with the children, we have now started maths groups. The children move from computers, math problems using hands on items such as blocks, dice, teddies, counters, games involving dice, and working closely with the teacher in small groups of 4. The results are already very positive and the children love it!

We love to dance and practiced many times a day for our performance at assembly of 'Katie the Caterpillar'!

We are learning about procedures and have made fairy bread, sand castles and joined in the Jamie Oliver Food Revolution and made a ‘smashed sandwich’

‘Crunch and Sip' remains an important part of our morning and the children really look forward to it. We are always discussing healthy foods and deciding what are fruits and what are vegetables.

We love reading to our parents and grandparents and showing them how clever we are!

Stephanie Alexander Kitchen Garden

Our class garden pods have been planted out with vegetable seedlings and the outdoor kitchen’s construction is commencing over the school holidays, so it’s all systems go next term. We will be seeking parent/carer volunteers to help out in the kitchen and garden, keep an eye out in next week’s newsletter for more details.

Tickets are $2 each or 3 for $5 and will be drawn on Friday 26th June (Week 10) at our final assembly for Term 2.
Year 6 Fundraiser

On **Tuesday, 9th June** (Week 8) Years 6 will be holding a **Mufti Day** for the whole school. Students are encouraged to come in mufti and are asked to bring in a **gold coin donation** on the day to support the fundraiser.
