Year One News
This term we have been extremely busy learning about procedures. We have made lots of things including sandcastles and learnt the correct procedure for washing a dog. For homework the children have made wonderful recipes to share with the class. We have also studied a science unit entitled “Spot the Difference” which has involved mystery objects and learning about heating and cooling foods. The most fun we had was building towers out of marshmallows and uncooked spaghetti.

P&C NEWS
ORARA VALLEY FAIR
What a great day it was . . . Thanks to our bakers, stall holders and sponsors (Boost Juice, Salsa’s & Cheers Family). We managed to raise over $800.00 on the day and congratulations to Tayah Teale for having the closest guess (755kg) to the correct combined weight of the heifers at 758kg. Tayah won $100.00 courtesy of Boost Juice.

Quick reminder to all parents and community who can’t make evening meetings to come along to our first day meeting on Friday 19 June at 1pm in the library. Meet some committee members, and find out about some of the exciting activities and project coming up.

If you will be there on Monday 22 June to cheer on your little athletes could you do a shift at the canteen? We are seeking volunteers to prepare and serve food on the day.
