Disability Data Collection
This week staff have been collecting information for the National Disability Data Collection. The nationally consistent collection of data on school students with disability (NCCD) uses a model that draws on teachers' professional judgement and practices throughout the year supporting students with disability to access and participate in education. Year 2/3 News
In class we have been writing chapter books as part of our narrative unit and students also competed in the Great Karangi Egg Drop as part of our unit on procedures. Students had to design a contraption which would allow a raw egg to be dropped off the Rainforest Room onto the ground without breaking. They also had to write a procedure on how they achieved this. We saw some wonderful designs and had some interesting results!

P&C NEWS

We Need Volunteers

P&C are running the canteen at our School Athletics Carnival on Monday 22nd June at Coramba Sportsground.

I am happy to organise the canteen but I also, like you, want to be able to get a break to watch my child compete in events. So to be able to offer our children some yummy food to purchase on the day I need to have a list of volunteers to offer a very small amount of time to assist in canteen in between their children’s events.

Not only will the canteen raise much needed funds for purchases at our School it will also mean no stress of packing lunch that day for busy Mums and Dads.

We need some help to cook the BBQ on the day and help in the canteen selling cakes and drinks. We are also asking parents if they can donate some home cooked goodies to sell on the day.

If you would like to help please let the office know or call Kellie Cheers (Shakira’s Mum) Mb 0407273556 H 66538733.

What better way to show your children how important it is to help one another. Thank you!
